

# CHANGED TRAFFIC CONDITIONS ACCESS TO COOPERS BREWERY

461 South Road  
Regency Park SA 5010  
**Ph: 08 8440 1800**  
**Email: coopers@coopers.com.au**

### Major roadwork in the area

There is currently major roadwork on South Road in Regency Park to construct the South Road Superway.

In line with the final design of the Superway the right turn from South Road to the **Coopers** driveway was removed in February of this year. The **Coopers** driveway operates as a left in and a left out only.

The designated u-turn bay for light vehicles just south of the Days Road/ South Road traffic lights is now operational.

To access **Coopers** from the south motorists in light vehicles can perform a u-turn at the designated u-turn bay just south of the Days Road/South Road traffic lights and will need to use the kerb side lane to travel along the service road to the **Coopers** driveway (shown left).

Motorists can also utilise Regency Road, Naweena Road and Camira Street to reach the service road (shown left).

From the north motorists will need to continue south on South Road and use the kerb side service road to access the Coopers driveway.

For more information about this change or any other aspect of the South Road Superway, please contact the project information line on **1300 638 789** or email [contactus@urbansuperway.com.au](mailto:contactus@urbansuperway.com.au)
